

Motion for Extension of Time to Respond

Appellant, James B. Weersing, asks notice of enclosed copies of C.O.C.'s letter and "Order" of denial by Judge Cureton. This Corr. espondence dated 3/29/16, recieved by mailroom 3/31/16 and by Appellant 4/1/16 allowed ten (10) days response as I presumed does Order.

An extension of time is requested due to circumstances beyond appellant's control. Initially note his response dated 4/3/16 but at Kershaw legal copies are only made on Thursdays, to further complicate matters Sycamore Unit was denied canteen the week of the 4<sup>th</sup> thru 8<sup>th</sup> so appellant borrowed "indigent" envelopes for mailing on Friday the 8<sup>th</sup>. On the 8<sup>th</sup> Kershaw was on lock-down and no legal mail was called for SB Unit. On Monday mailroom employees would not allow appellant to use indigent envelopes and by the time he returned from the canteen the institution was placed back on lock-down.

Consider these events were not foreseeable nor in anyway controllable by this appellant. Therefore for good cause shown and in good faith he requests and extension of time until he can put these important legal documents in the mail for delivery to this Court. He does in good faith promise to have them delivered as soon as possible under the current lock-down circumstances.

Re: Appellate Case No. 2016-000173

Ms. Kitchings,

Please be advised the Clerk of the ALC was notified of my intent to appeal filed with your office, see Proof of Service. She was also notified of my request for the record on appeal and any transcript in this case. I do not reasonably believe that the respondent/agency ever submitted the "record" to the ALC nor has the ALC clerk ever answered my request. Notice I'm sending her/his copy of your office's letter as I am also noticing the S.C. Office of Court Administration like you requested.

As to your statement that you have not received my initial brief, be advised that I have never received my copies Filed and Date stamped from my "Intent to Appeal" nor from my Motion to Proceed In Forma Pauperis. Therefore I had no way of knowing whether my appeal had been filed, who the judge was or what my case number might be.

Consider, on 4/1/16 I received two (2) letters from your office (see attached); the first concerned the transcript matter discussed above. The second was an "Order" signed in Judge Creighton name by you (?) or an unknown party; the return address was from your office. Enclosed with this mailing you will find my "Motion to Alter or Amend Judgement" per

Rule 59(e)." Whereas "Order" of 3/29/16 failed to comply with applicable law, it is requested that the presiding Judge actually address the merits and sign the "Order" as to Rule 59 decision.

Lastly, I request return of my "Appellant Copies" of my filings thus far in this legal matter A.S.A.P.; see Art. 139 of the Const. as to speedy remedy in all courts and see Maner v. Maner, 296 S.E.2d 533 (S.C. 1982) as to speedy appeal right. These documents are needed so that any appeal necessary may be fully understood by the Supreme Court in my continuing struggle to find any justice in the S.C. court system.
