Re: Evelyn Lowery v. Eula Daniels (Kevin Waiters)
Appellate Case No. 2015-002243

Dear Counsel:

This letter confirms a conversation between a member of my staff and a member of your office staff this morning.

Your amended designation of matter was received by the Court on April 22, 2016, and is presumed to be a response to the Court's April 13, 2016 letter requesting corrections to the designation of matter previously filed. The deficiencies outlined in the Court's letter of April 13, 2016, included a request to correct the case caption. The caption on the amended designation of matter is not corrected. Your description of "Title summary" is included four separate times and each description is identical. This is the Court's second request for these corrections. Failure to comply with the Court's request within ten days will result in the dismissal of this appeal.

The Court has also received a copy of the transcript. The Court does not want a copy of the transcript at this time. If you would like this copy returned, you must provide a self-addressed, stamped envelope. If an envelope with proper postage is not received within seven days, the copy of the transcript will be discarded.

Very truly yours,

V. Claire Allen, Deputy

CLERK
