Re: The State v. Dontelle D. Cannon
Appellate Case No. 2016-000200

Dear Counsel:

Please be advised this is the second letter to be sent requesting the following:

Upon reviewing your client's notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, you must list parties for the appellant and respondent.
- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the issue(s) to be raised on appeal and the factual basis for the issue(s) including how the issue(s) was raised below and the ruling of the lower court on that issue(s). If an issue was not raised to and ruled on by the lower court, the

7

explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."

- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

V. Claire Allen, Deputy

CLERK
