

# The South Carolina Court of Appeals

Charles Taylor, Appellant,

v.

Stop 'N' Save, Inc., d/b/a El Cheapo Plus #7 and Roy  
Rahal, Respondents.

Appellate Case No. 2015-002481

---

## ORDER

---

After careful consideration, Respondents' motion to dismiss is denied. Furthermore, Appellant's motion for sanctions is denied.

As to Appellant's motion to strike a footnote from Respondents' initial brief, the motion is deemed moot in light of Respondents' consent to correct the typographical error in their final brief.

Finally, Respondents' motion to strike is granted in part. Specifically, Appellant's request to strike pages 1209-1242 from the record on appeal because these matters were not presented to the lower court pursuant to Rule 210(c), SCACR, is granted. Within ten days of the date of this order, Appellant shall serve a supplemental record on appeal that (1) omits these pages from the record on appeal, and (2) includes all matters otherwise designated by both parties. Appellant shall also file a proof of service with this Court within ten days of the date of this order. The parties' final briefs shall be served and filed thirty days after the service of the amended record on appeal.
