Janet,

Just found out from Ms. Joyner that she was court-appointed. Therefore, and going back to your email notice about this appeal dated March 29, 2016, I have calculated the petition and appendix is due on or before May 30, 2016. Let me know if my calculations are incorrect. Thanks!

Loriene

Ms. Joyner - since Appellate Defense has not yet notified us that they are assuming representation of Mr. Benjamin, could you please confirm for the Court whether you were retained in this matter or appointed. If appointed, you will simply need to provide Appellate Defense with a copy of your order of appointment. If retained, please so notify me, so that time limits for perfecting this appeal can be set.

A prompt response will be appreciated since the time is approaching for the petition and appendix as there was no transcript to be requested according to Ms. French's email of May 2nd, a copy of which is attached.

~Janet
