RE: Team IA, Inc. v. Cicero Lucas
Appellate Case No. 2015-002629

Dear Sir or Madam:

In reference to the above, Appellant made a request for the transcript for the trial (and "all proceedings"), however the post-trial motions were not heard until May 5th, 2015. This portion of the proceedings was not included in the transcript, and in all fairness the request did not specifically request the transcript from the post-trial hearing. It was not until Appellant received the transcript and discussed with Respondent that the parties realized the May 5th hearing was not part of the transcript, and both parties agreed the oral arguments are necessary for the appeal.

The court report has been alerted and is preparing the post trial hearing transcript. The hearing was approximately two hours long. It should be forthcoming shortly.

Thank you for your assistance.

Sincerely,

W. Andrew Arnold
