Re: Harry Reese
WCC File No. 1322039

To whom it may concern:

My name is Harry Reese. I'm respectfully requesting an opportunity to appeal the Single Commissioner and Full Commissioner decision which rejected my Worker's Compensation claim. Rather than submitting an entirely new brief, the previous APA submissions, evidence, briefs, the claimant's objections, etc., etc., etc., will be used to continue proving that the Commissioners unjust decision should be overturned based on the supporting evidence which to includes medical documentation from several medical providers which to include treating physicians. The evidence included in two large binders (Binder A: Hearing & Binder B: Appeal) a red folder (articles submitted into evidence; however, were not reviewed by the Commissioner) and a blue folder (Full Commission Panel Hearing transcript, Request for proposed order and decision, SAF initial response to the proposed order and decision, SAF revised response to the proposed order and decision, SAF Full Commission Brief of Defendants/Appellant, Appellant's objection to proposed order and additional supportive documentation, Full Commission signed order, , Proof of Service, Notice of Appeal (5/11/2016 and 4/28/2016), and postal receipts), will also demonstrate that the Defendant exhausted all efforts, including illegal and unethical endeavors, to merely denied my claim.

I look forward to an opportunity to present all the facts that was denied in both hearings. I'm not certain if this is possible; however, I'm requesting a jury trial of which my peers would be present. If you have any questions or concerns, please feel free to contact me at (H) (803) 851-3182;

(C) (803) 477-4227; or email: hreese2005@yahoo.com.

Respectfully Submitted,

Harry E. Reese Sr.
