RE: Clarence Winfrey v. Archway Services, Inc. (3)
Lower Court Case No. 1306305
Appellate Case No. 2014-001815

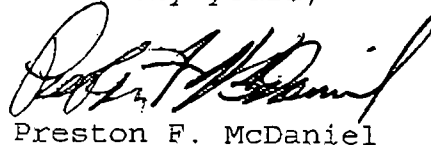

Dear Ms. Allen:

We received notice of a 10-10-5 hearing set in the above-referenced matter but referencing only Appellate Case No. 2014-001815. I am writing because I am very concerned in that while only one Appellate Case number is referenced and this appears to be set on one case due to the amount of time set for argument, the Notice we received contained beside the name of the case "(3)". There are three (3) Appellate cases that were filed arising out of this one claim but it appears that this has only been set on our appeal of one issue in one Order (Final Award) of the Commission. I would appreciate confirmation of that and if not, I would appreciate knowing what cases have been set.

The "(3)" may be simply a reference that there are three appeals filed and pending and that the Court may be dealing with those otherwise but I simply need to know if only 1815 has been set.

Thank you for your assistance and I am sorry to trouble you with this request. By copy of this letter I am notifying Defense Counsel of this communication.

Sincerely yours,

Preston F. McDaniel
