Re: The State v. Trenton Malik Barnes  
Appellate Case No. 2014-002771

Dear Counsel:

Upon reviewing your record on appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter, or this appeal will be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, the title of the case should read:

The State, Respondent,

v.

Trenton Malik Barnes, Appellant.

- The cover of the record on appeal should list the names of all counsel that are listed on the covers of the initial brief of appellant and the initial brief of respondent.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jey A. Kiteps". The signature is fluid and cursive, with a large initial "J" and a long, sweeping tail.

CLERK
