Based on the time we were on the record a rough estimate of the entire transcript would be \$3,700 plus postage. If you didn't need the jury selection it would be an estimate of \$3,375.

If you received the transcript by email instead, you would save the postage costs.

Just let me know if you decide to order.

Subject: Request for Cost of Transcript of State v. Walter Tucker

Good afternoon, could you provide me with an estimate/cost of the full transcript for the jury trial of State v. Walter Tucker? The trial was conducted April 13-17, 2015. If it reduces the cost, we could receive it electronically if that's an option.

I have finished the transcript of the entire trial. The total is less than I anticipated, so you do not need to send additional money. You can see from the attached invoice with the \$1,000 you originally paid and the additional \$1,500 you sent me that you will now have a credit that I owe you \$583.00.

Since I haven't cashed the last \$1,500 check would you prefer that I return it and you send me the exact amount or is it okay if I deposit and just send you a check for the overage?
