Subject: Jermel Rice argument Tuesday.

Dear Brenda:

The above case has been set for oral argument on Wednesday, October 3 at 10:00am. The motions that were argued in the lower court on the constitutionality of juvenile transfers to general sessions were done back in early 2008. In preparing for this case, I have come to realize that my argument is now very weak given the more current case law on the subject. The Court may wish decide the case on the written record without argument to free up your time for other cases. Please let me know what the Court wishes to do.

Sincerely,

Rob Pachak
