S.C. SUPREME COURT

Hey, how you doing! I'm doing alright, The reason I'm writing, Cause I need another extension on my pro se responst to the Johnson petition for writ of certiorari. The reason I'm not ready is, the Institution where I'm at (Lee Correctional Institution) had to lock the prison down due to security reasons and due to these reasons I could not prepare for my case properly and I was wondering can I get this extension please.

Thank you,
