

The South Carolina Court of Appeals

The State, Respondent,

v.

Rodney Dale Ivey, Appellant.

Appellate Case No. 2012-212262

ORDER

This appeal was dismissed for failure to provide proof that the notice of appeal was timely served. Appellant has filed a letter, which we construe as a petition for rehearing, attaching a proof of service that demonstrates Appellant timely served the notice of appeal. Accordingly this appeal is reinstated.
