RE: State v. Richard Burton Beekman
Appellate Case No. 2011-196688

Dear Ms. Kitchings:

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed today. One previous extension has been granted. Due to an usually heavy workload, and particularly my work on the Initial Brief in the matter of State v. Lexie Dial, III, for which three extensions have been requested, and my preparation for oral argument today in the matter of State v. Nearin Blackwell-Selim, I have been unable to complete this brief in time. Therefore, I am respectfully requesting a 30-day extension in which to serve and file this brief.

By copy of this e-mail, I am advising opposing counsel, Dayne C. Phillips, of this extension request.

Sincerely,

Christina J. Catoe
Assistant Attorney General
