IN RE: Pierce vs. Horry County

Dear Mr. Young:

I received on September 29, 2012 (dated September 25, 2012) your letter sharing: "... the cost of the transcript you requested from the two hearings..." According to your correspondence, the terms are : "... two hearings are a total of 70 (seventy) pages, the per page rate set by the State is \$3.25 per page, therefore a total of \$227.50." Further informed, I understand: "After receipt of that amount I will have 60 days to deliver..."

Please find enclosed a money order in the amount of \$227.50 to cover the amount that you have quoted to me. Please clarify if this amount does not cover the request for both written and audio verbatim proceedings for both days (July 30, 2012 and August 1, 2012). Thank you very much for your assistance in this endeavor.

Sincerely,

Retha Pierce
