Re: State v. Anthony Wade

Dear Mr. Shearouse:

The Initial Brief of Respondent and Designating of Matter in the above appeal were due to be served and filed October 8, 2012. However, due to a heavy workload, I am requesting a 30-day extension to file these documents. This is the first extension request in this case, and it is not intended for the purpose of delay. The initial extension was inadvertently sent to the Court of Appeals on the appropriate due date; therefore, by signature below, Appellant consents to this request.

Also, Please allow this letter to confirm that our office received Appellant's Initial Brief and Designation of Matter in the above-referenced case and to advise you that I will be representing the State in this appeal. Please forward all future correspondence regarding this matter directly to me.

I appreciate your consideration of this request and ask that you hold the filing time in abeyance during the time in which this request is pending.

Sincerely,

William M. Blich, Jr.
