SC Court of Appeals

I, David Watson #334288 appeal my conviction and sentence of (2012-GS-40-1424; 2011-GS-40-1074; 2011-GS-40-1073; 2011-GS-40-3982; 2011-GS-40-0597; 2011-GS-40-4644; 2011-GS-40-4645; 2011-GS-40-4582; 2011-GS-40-9392; 2012-GS-40-5052; 2011-GS-40-4391). The sentence was imposed by The Hon. L. Casey Manning on Sep. 10, 2012 who advised me to appeal because it made little sense to him and didn't add up. I plead Guilty to pos. of stolen motor vehicle, murder, Armed Robbery, Armed Robbery, Armed Robbery, Armed Robbery, Att. Armed Robbery, burglary (2nd), unlawfull carry: pistol, Breaking into MV, pos. stolen motor vehicle. My Guilty plea was Accepted and I was sentenced to (50) years in The Department of Corrections by the Hon. L. Casey Manning. I am informed and believe that my plea was not freely and voluntarily given. As well I did not receive sufficient amount of time to consider the plea offer, as I was notified Two Days prior to my sentencing date. If I had been notified and given a decent amount of time I would not have taken the plea offer.

Sincerely David Watson
Defendant
