S.C. SUPREME COURT

Stanley Linder v. State of South Carolina  
Re: Information

Dear Mr. Shearouse,

I truly apologize for interrupting you one more time,  
Because I have some very surprising information that  
you may like to know. Assistant Attorney General  
"Matthew Friedman" is guilty of violating the State  
Constitution of "Invasion of Privacy Act." And  
"Discrimination" against me and my family, by scandal-  
izing personal information.

I am filing a Civil Action against both Mr. Friedman  
and Atty. Gen. Allen Wilson for allowing Mr. Friedman  
to ~~promote~~ <sup>use S.C.</sup> The State Attorney General's office  
to act unprofessionally against me and my family causing  
us detrimental harm, emotional, mental and financial  
abusive. Mr. Friedman is the respondent in my PCR  
evidentiary hearing. I feel this is the right thing to do  
to inform this Court of any discovered information.

Thank you for your undivided attention.

Sincerely: Stanley Linder
