**CONSENT MOTION TO  
SUPPLEMENT RECORD**

---

Appellants, by and through their counsel, hereby moves, with the consent of Respondent, to supplement the Designation of Matter and Record on Appeal. The grounds for this motion are that Appellants cited to certain pages of the deposition of Lauren Proctor that were accidentally omitted from the Designation of Matter and Record on Appeal. Rule 212(b), SCACR provides that upon written consent of all the parties, the record on appeal may be supplemented at any

time before oral argument. Counsel for Respondents has been consulted and has consented to the supplementation.

Respectfully submitted,
