Dear Ms. Kitchings:

The above-captioned appeal was heard by the S.C. Administrative Law Court on remand from the Court of Appeals and therefore no transcript was ordered. The Appellants initial brief is currently due on September 19, 2012.

I am requesting a 30-day extension for filing our initial brief. The reason for this request is that counsel has had a heavy case load this past month and has been unable to spend the time necessary to prepare this brief. If the extension is granted, the new date for filing the initial brief would be October 19, 2012.

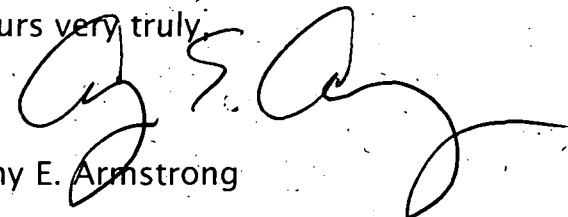

I am enclosing a check in the amount of \$25 for this extension request.

**OUR MISSION**

*To protect the natural environment of South Carolina by providing legal services and advice to environmental organizations and concerned citizens and by improving the state's system of environmental regulation.*

Yours very truly,

Amy E. Armstrong
