S.C. Supreme Court

Demetrio Sears vs. State

Appellate Case No. 2010-150510

Dear Clerk of Court,

I received the denial for my writ of certiorari and my concern is that you denied my pro se petition I filed and not the petition that my retained attorney, Jeremy Thompson, filed on my behalf that superseded my brief. You did not notify my attorney of this decision in any way and you mailed me the cert denial instead of him. Please look into this as my attorney submitted his certiorari petition in June and it does not look as if your office advanced this to the Court for consideration. Thank you.
