re: Blue Ridge Electric Cooperative, Inc. vs.
Kathleen Gresham (Jennings)
 CA No. 2008-CP-23-5245
 SC Court of Appeals

Dear Ms. Gee:

Please accept this as an update of the reconstruction of the record in the above captioned matter. The parties met in Anderson County on Tuesday, September 26, 2012 in an effort to reconstruct the record. The parties agreed to the matters that were missing from the transcript. The parties further agreed to exchange proposed stipulations as to the missing testimony. The exchange is to occur on or before November 2, 2012.

After conducting the hearing, I gave the parties an opportunity to discuss resolution of this matter. The parties thereafter informed the Court that they had reached a "tentative settlement", which will hopefully be confirmed with the Court of Appeals in the coming weeks.

If this case is not resolved, I hope to update you with the transcript of record after November 2, 2012.

By copy of this letter, I am notifying attorneys for the Plaintiff and the pro se Defendant of this communication.

With kindest regards, I remain

Yours very truly,

R. Lawton McIntosh, Judge
 Tenth (10th) Judicial Circuit
