S.C. Court of Appeals  
PO Box 11629  
Columbia, SC 29211

Dear Ms. Allen:

We received a second request for us to send a letter to our client to state any arguable basis for his issues to be preserved for appeal. I am writing this letter in an abundance of caution to ensure our client's right to appeal is not compromised.

As we discussed, Katherine Taylor, an attorney in our office who represented Mr. Goode, sent in a detailed explanation with the appeal regarding the issue of credit for time served. When we received the first request from the Court of Appeals, I called the Court of Appeals on behalf of Mr. Goode and explained the situation. You indicated that if we were satisfied with the explanation that Ms. Taylor submitted that would be sufficient. Upon receipt of this second request, we would like to reiterate that Ms. Taylor's explanation would be sufficient for the appeal and ask that it be accepted by the Court in lieu of a written explanation by Mr. Goode.

Thank you very much for your kind consideration in this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Melissa A. Inzerillo  
Assistant Public Defender
