Dear Clerk.

I'm writing out of concern about the Appointment of the Appellant Defense to represent me in My Direct Appeal. I received a letter from your office back in July stating about the procedure that the Appellant Defense does. The Appellant Defense also wrote me back in July stating that as soon as the court reporter send my transcript the appellant defense will send me a copy & also let me know who's my attorney from there office will be. Also that it takes up to 90 days sometime for the court reporter to send the transcript 90 days after that the court report can destroy the original in which i'm not trying to let the court reporter destroy the original before i have a chance to review the copy because the

the Court report might edit something that's detrimental to my case. I wrote the Appellant Defense about a month or a half ago without any response so I'm asking can your office be any help to this matter. A response will not go unappreciated. The address that I can be reached at is on the Top of the front page.

Thank you

Sincerely yours

Douglas Hall
