

The Supreme Court of South Carolina

The State, Petitioner,

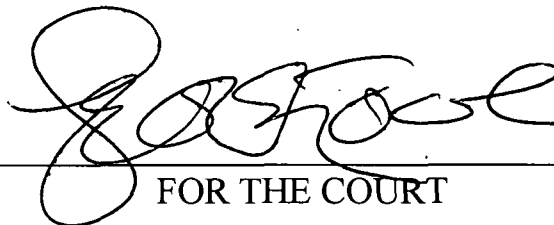

v.

James Ramsey, Respondent.

Appellate Case No. 2012-213017

ORDER

Respondent moves this Court to dismiss the petition for a writ of certiorari filed by the State in this matter. The State has filed a return in opposition to the motion. The motion is denied, as this Court's denial of the State's prior motion to certify the appeal from the Court of Appeals to this Court has no bearing on the State's right to file a petition for a writ of certiorari following the Court of Appeals' final ruling in this matter.
