Re: Stephen George Brock, Appellant v. Town of Mount Pleasant, Respondent  
Case No.: 2008-CP-10-3308

Dear Deborah,

I represent Stephen George Brock, Plaintiff/Appellant. You transcribed a record for Brenda Cooley in the above case. Your transcript indicated that a portion of the tape was inaudible beginning at page 130. The testimony that has been lost was of importance to the case and no agreement can be reached on its content. If possible, can you please review this portion of the tape again and determine whether any of the testimony can be transcribed? If not, is there any way to measure the length in time of the missing testimony? It would be helpful to know how long the missing testimony was that may have been lost.

Anything you can do to help us on this would be most appreciated.

Respectfully submitted,

  
J. Falkner Wilkes, T2893
