RE: State v. John Kenneth Massey – Appellate Case No. 2015-000431

Dear Ms. Kitchings:

The Initial Brief of Appellant and Designation of Matter in the above-referenced criminal appeal was due to be served and filed on May 9, 2016. I sent a letter requesting a thirty-day extension to serve and file these documents based on a heavy workload. It has come to my attention this letter contained a scrivener's error listing the due date as November 9, 2015. I apologize for any inconvenience cause by this oversight.

I appreciate your consideration of this request and ask that the filing deadlines be held in abeyance while this request is pending.

By copy of this letter, I am informing counsel for the Respondent of this extension request.

Sincerely,

Megan Harrigan Jameson
