REASONS FOR APPEAL (2) OR POSSIBLE OVERTURN. 5-18-16

- ④ CHARGES THAT WERE THE ACTUAL CHARGE NEVER MENTIONED BY PUBLIC DEFENDER CHAD D. SHELTON TO JUDGE IN PLEA COURT.
- ⑤ JULIE SHIVERS SITTING IN COURTROOM, AND NOT EVEN MENTIONING HOW SHE GOT OFF OF MY CASE, OR EVEN TELLING JUDGE HYMAN AT PLEA COURT, NOT KNOWING THAT SHE WAS SUPPOSE TO BE MY PUBLIC DEFENDER.
- ⑩ NOT KNOWING WHAT AN ALFORD PLEA IS, AND BEING QUICKLY EXPLAIN SOMEWHAT OF IT, FIVE MINUTES BEFORE GOING INTO THE COURTROOM.

5-18-16

(12) I was already scheduled for a trial date, with my first Public Defender, Julie Shivers, because she had understanding of my situation, right when I told her what really happen.

(13) Now me not being on any medication, for my mental condition, I just kept getting agitated, and flip out in the first court appearance, to turn down the plea, when she told me, the solicitor was upgrading my charges, from Attempted 2nd degree burglary, to Attempted First degree burglary, and then I couldn't get it back together, after flipping out a 2nd time. And she put in for the motion to be dismissed from my case, under Judge Anallin who witness it all. And denied the motion.

(14) Now me being in pain in my left hip so bad, and just leaving the hospital two days earlier, and with CHAD D. SHELTON coming, and telling me about court, I just wasn't in the right state of mind, and I just up and went for it. Oohh Washington

5-18-16

(15) I was thinking that CHAD D. SHELTON was trying to get me out of there, because, I had inform him of me being taken to the hospital two days earlier for my hip, and he gets in front of the Judge Hyman, out of Myrtle Beach, presiding in Berkeley County at the time, during my Plea, which he took five minutes before court to explain to me, and doesn't even mention nothing about me being to the hospital, or me being bipolar, or nothing really, that would have help me, like a Defense lawyer should have done.

Thank you!

APPELLATE CASE #

5-18-2016 ①

2016-000757 DEAR SIR.

I Receive this letter on MAY 17-2016, so I'm going to explain with the quick thinking, before my deadline, why I believe that my sentence, should be Appeal, and Maybe overturn. Now First of all, MY Attorney, should have still been Julie Shivers, of Berkeley county Public Defender office, Because she had put in for a motion, to be removed from my case, after being on my case, for over three Month, and that Motion, was denied, under The Honorable; Judge Mullins of Henry county, when she was Judge on the bench in Berkeley co. and also told Julie Shivers, to make sure that I get Mental Health treatment, which I was denied.

③
County, None of This was ever
Mention, Plus I believe that
I was mis Represented in court,
because he Never even Mention
to the Judge Hyman, that
He wasn't even on my case,
long enough to get no understanding
of me, or my situation, and didn't
even let the Judge Hyman
know anything about the orders,
that Judge Mullins had given
Julie Shivers. Now He didn't even
Represent me like a defense
lawyer, Because He never even
Mention my positive credentials
or nothing positive about me. Plus I
was put back on the same →

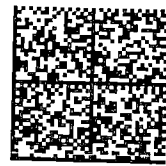

④

Medication that I was on, But I
Never even talk with No Psychiatrist
Plus I had been off of the medication
for about 2 months, Now I've
didn't get enough time to
even have the medication in my
system long enough, before CHAD
D. SHELTON, is Ready to take
me to court, without even a
Mental evaluation. Now me
being in pain, because I'm in
the need of Hip Replacement
surgery, I figure he was trying
to help me, so I decided to
go for it. Just before I go into
the court room, here he comes with
some plea half explains it to me
in a rush, And I sign it AFTER →
