Re: Eugene D. Patterson v. State
Appellate Case No. 2016-001067
Lower Court Case No. 2014CP4001202

Dear Counsel:

This Court has received your notice of appeal, and the case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267 of the South Carolina Appellate Court Rules (SCACR). The SCACR are available online at www.sccourts.org/courtreg. Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with the Supreme Court of South Carolina and the South Carolina Court of Appeals. The order can be found at www.sccourts.org/courtOrders/displayOrder.cfm?orderNo=2014-04-15-02. Please note that the responsibility for insuring that information is redacted or sealed as

required by this order rests with counsel and the parties. This office will not review filings for redaction or to determine if materials should be sealed.

While the notice of appeal indicates that the appeal is being taken from an order filed on December 23, 2015, it appears that the appeal is actually being taken following the issuance of an order denying a Rule 59, SCRPC, motion. Therefore, it will be necessary for you to provide this Court with a copy of the order denying the Rule 59 motion along with a statement as to when you received written notice of entry of that order. This document and information should be provided within ten (10) days of the date of this letter.

Very truly yours,

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke extending to the right.

CLERK
