RE: Traynum v. Scavens
Case Tracking No.: 2013-002797

Dear Mr. Shearouse:

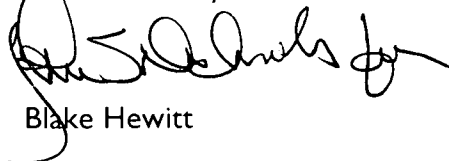

Today I received the Respondent's return to my client's petition for rehearing. The Respondent served this return May 20.

The Appellant does not object to the Respondent filing this return out of time. The deadline for a return was May 16.

Also, my client will not be filing a reply. After considering the briefing, the oral arguments, and the petition, I expect the Court fully understands my client's position and that the parties in this case do not agree with each other.

If you need any additional information, please do not hesitate to contact me.

Yours sincerely,

Blake Hewitt
