UNOPPOSED MOTION FOR SECOND EXTENSION OF TIME TO FILE AND SERVE
APPELLANT'S INITIAL BRIEF AND DESIGNATION OF MATTER TO BE
INCLUDED IN RECORD ON APPEAL

Now comes Appellant David Henley, by and through his undersigned counsel, and moves before this Honorable Court for an Order granting a second thirty (30) day extension of time until June 8, 2016, to file and serve Appellant's Initial Brief and Designation of Matter. The Initial Brief and Designation of Matter are currently due on May 9, 2016.

Counsel makes this unopposed second motion on the following grounds:

Counsel is a solo practitioner and numerous impending professional obligations and other time constraints imposed upon counsel by previously scheduled matters preclude said counsel's ability to timely and adequately address the issues within the time allowed.

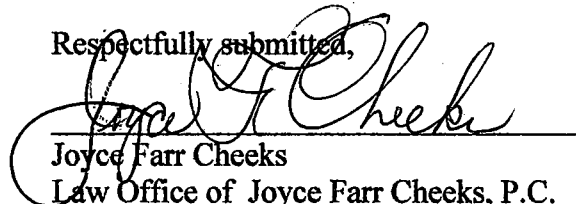

Further, Counsel had eye surgery on March 11, 2016, and was out of the office the following week. It took approximately two (2) additional weeks to fully recuperate. Counsel's lost time from work significantly impeded her ability to complete her pre-existing professional

obligations, deadlines and commitments and precluded her ability to prepare appellant's initial brief in time to meet the Court's briefing deadline.

Counsel for Appellant seeks this extension of time to review the Worker's Compensation Commission's record, and prepare a cogent and succinct brief to aid this Court in its analysis of the issues presented. This request is not sought for delay but so that justice may be done.

The undersigned conferred with opposing counsel, and each has indicated that they do not oppose this motion.

Respectfully submitted,
