Dear Counsel:

Good afternoon. Attached please find the order of the court relating to the motion to file an amicus brief. If anyone decides to file a responsive brief, we will accept a scanned emailed pdf copy of the responsive brief in addition to a properly filed and served brief via U.S. mail.

Additionally, we would like to inquire whether the parties would have an objection to moving the time of oral argument back a few minutes to 11:45 am in Courtroom I on June 6, 2016. Please reply to this email and affirm that you can be available at the later time on June 6.

Thank you all so very much for your help in this case. If there are any further questions or concerns, please don't hesitate to let us know.
