Re: Kelvin Lewis v. Michael Ray  
Appellate Case No. 2016-000226

Dear Mr. Ray:

The Court has received your correspondence with a hand-written note referencing appellate case number 2016-000226. You are advised that the Court has not received a motion from you in this case. And the proof of service that you have provided references Kirschner v. Michael Ray, case no. 2016-000223.

Within seven days, you must file a motion to order the transcript late for Kelvin Lewis v Michael Ray (case no. 2016-000226) and provide a corrected proof of service. An additional filing fee will not be necessary. Failure to file the motion and corrected proof of service within seven days will result in the dismissal of this appeal.

Very truly yours,

A handwritten signature in cursive script that reads "Jenny A. Kitchings".
