Re: The State v. Carlos Coleman
Appellate Case No. 2016-000022

Dear Counsel:

Upon reviewing your request for the transcript, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter, or this appeal may be dismissed:

- The document does not show that a copy of this correspondence was provided to the opposing party(ies)/counsel. Specifically, Alan McCrory Wilson and John Benjamin Aplin of the Attorney General's Office.
- Your request for the transcript does not list the lower court case number that is needed for the request to be completed. Your lower court case number being appealed is 2015CP1001939.
- Your correspondence does not appear to have set up payments with the court reporter for the transcript. Before your transcript can be completed and received you will need to set up payments with the court reporter.

Furthermore, your correspondence states that the Court needs the transcript in order to continue your appeal. The Court does not require a copy of the transcript. The Court only needs notification from the appellant that the transcript has been

ordered and received in accordance with Rule 207 of the South Carolina Appellate Court Rules, which can be found at the following web address:

Very truly yours,

CLERK
