Re: Partners 95, LLC and HSGCHG Investments, LLC vs. Riverdale Funding, LLC and
Woodbridge Mortgage Investment Fund 3, LLC
Appellate Case No.: 2016-000956

Dear Ms. Kitchings:

We are in receipt of your letter dated May 31, 2016 advising that the time to order the transcript has expired in the above-referenced matter. Shortly after filing our Notice of Appeal on May 6, 2016, we spoke to the case manager and advised that we were in receipt of all transcripts prior to filing and serving the Notice of Appeal.¹ This letter confirms that conversation.

It is our understanding that pursuant to Rule 208, SCACR, our initial brief and designation of matter currently are due on June 6, 2016. *See* SCACR 208(a)(1) (“Within thirty (30) days after receiving the transcript or, if no transcript is ordered, within thirty (30) days after serving the notice of appeal, appellant shall serve one copy of his brief on all parties to the appeal, and file with the clerk of the appellate court one copy of the brief with proof of service.”).

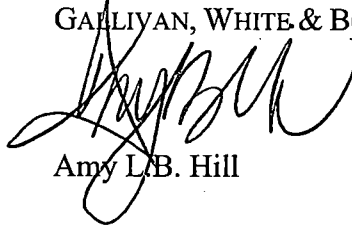

However, please note that on May 31, 2016, we filed a motion, with the consent of opposing counsel, respectfully requesting that our initial brief and designation of matter deadline be extended until **July 6, 2016**.

Please do not hesitate to contact us with any questions or concerns you may have regarding this matter. By copy of this letter, I am communicating the same to opposing counsel.

¹ All transcripts were received by February 24, 2016, before issuance of the final order from which this appeal was taken and before our Notice of Appeal was timely filed and served on May 6, 2016.

Sincerely,

GALLIYAN, WHITE & BOYD, P.A.
