

The South Carolina Court of Appeals

Brenda G. Harmon, Appellant,

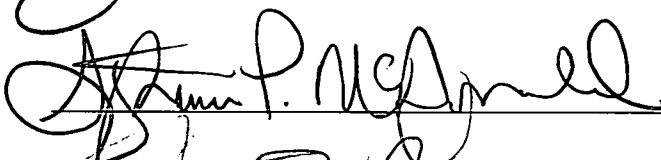

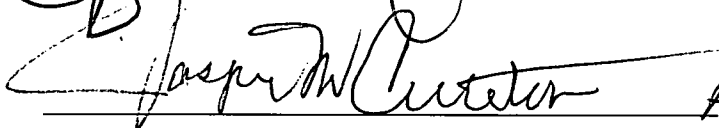

v.

Joel E. Johnson, D.M.D., Respondent.

Appellate Case No. 2015-000061

ORDER

Appellant has filed a "Reconsideration to Order-Reasons for This Case to Continue" which this Court construes as a petition for rehearing from the dismissal of her appeal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material facts or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
