

Case No. 2015-001903

Marvin Workman, 297866 MU 152
Turbeville, Correctional Institution
P.O. Box 252
Turbeville, SC 29162

Dear Court of appeal

I am submitting this letter of the consideration of my appeal.

I have been misguaranteed and promise by my attorney that no matter what if I sign this sentencing sheet I am going to get the six year plea deal.

He told me that Judge Gibbons, Solicitor Riley Maxwell all three had agree that I was getting the plea of six years.

The court reporter left out the fact on record Judge Gibbons told me that he was going to follow the recommendation and at the end after my record was readed Judge stated that should've also been on record he change his mind when my attorney told him to allow me to withdraw.

He keep stressing the fact ~~and~~ considering what burglary charges I was facing which I have not had any parts and the state could not convicted me of.

I ask the court of appeal to consider which Judge Counslor and slicitor all ineffective upon these following cases.

- State vs. Holland, 470 S.E. 2d 378 = Judge Influence plea
- State vs. Blair, 275 S.C. 273, S.E. 2d 536 = Evaluation
- McNaghten 17-24-16 (A) Governed by 17-24-20(A) Criminal Responsibility
- Goss, 346 S.E. 2d 514 = Influence Plea

Thank you Respectfully
for the concernacy in my
appeal
