MOTION FOR EXTENSION OF TIME

Superior Construction Corporation through undersigned counsel, with the consent of the Respondent, respectfully requests a thirty (30) day extension to file Appellant’s Initial Brief. The predominate reason for this request is that the underlying appeal in question involves a question of law regarding the interpretation of a standard form construction contract that is a case of first impression to South Carolina, and the process of completing a fifty state assessment of majority and minority opinions has taken longer than anticipated. In addition, personal circumstances of undersigned counsel’s wife undergoing major surgery and recovery have also necessitated this request.

For these reasons, on behalf of the appellant I respectfully request this Court grant Appellant a Thirty (30) day extension of time. If this motion is granted, the Appellants Initial Brief will be due to be filed on or before July 8, 2016.
