Re: Billy Keyserling v. SCDHEC(GX Technology)
Appellate Case No. 2016-001115

Dear Counsel:

Upon reviewing your notices of appeal in the above-referenced case (15-ALJ-07-380-CC), as well as 15-ALJ-07-319-CC, and 15-ALJ-07-0379-CC, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or the appeals will be dismissed:

- The notices of appeal are not accompanied by the order(s) and/or judgment(s) challenged on appeal. Upon receipt of all orders on appeal, these cases will be evaluated for consolidation.
- The notices of appeal fail to include a statement of when you received written notice of entry of the order or judgment from which each appeal is taken.
- Multiple parties are listed as the appellants in the caption of the notices of appeal. South Carolina Coastal Conservation League is not listed as an appellant.
- You are requested to serve and file an amended notice of appeal showing the appellants and respondents in each appeal, or file a motion asking the Court to substitute a party pursuant to Rule 265, SCACR. All parties are advised that service of the amended notice of appeal does not affect the timelines for the appeal.

Very truly yours,

V. Claire Allen, Deputy

CLERK
