APPEAL FROM HORRY COUNTY
COURT of COMMON PLEAS

LARRY B. HYMAN JR. Circuit Court Judge

Case No. 2014-CP-26-01684

Archie Howell,

Respondent,

v.

Christopher Chabot

Appellant,

DBA Autoworks,

MOTION FOR EXSTENTION FOR RECORD ON APPEAL

The Appellant has been out of town due to getting married. The court of appeals website doesn't specify if the record of appeal has to outline both briefs and the designation of matter or all of the above. The appellant is in the process of finishing his record on appeal to include all three. With the respect of the Respondents legal representation that the Appellant entitle his brief final brief instead of reply brief if it pleases the Respondent and the court the Appellant will file a new cover to the brief titled Reply Brief. It should be noted however the Respondent argues on the rule 210 motion but never accused the Appellant of adding additional information that was not part of the lower court records. It seems to the Appellant that he has merely trying to get this case thrown out on a technicality, as to his motion to dismiss and have the case thrown out for not being served in this case.

WHEREFORE, the Appellant hereby requests a five day extension to file his record on appeal.
