*Re: Archie Howell vs. Christopher E. Chabot dba Autoworks
Appellant Case No: 2015-001210*

Dear Ms. Allen

This morning, my paralegal reviewed the Appellate Case Management System and discovered Appellant Christopher Chabot recently filed a Certificate of Record on Appeal and Certificate of Service dated February 23, 2016. I wanted the Court to be aware that I have not been served with a Record on Appeal.

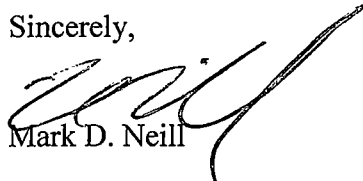

On February 25, 2016, we received a copy of Appellant's Reply Brief. Appellant mis-titled it as a Final Brief, but it actually is a Reply Brief. I have enclosed a copy of what we received for your review. In that same mailing from Appellant, we received Appellant's Motion to Leave to File Outside the Deadline, a copy of which is also enclosed. To my knowledge, that Motion has not been determined.

Please let me know the status of this Appeal. Without the Record on Appeal, we are not able to prepare our Final Brief. I believe the appropriate step would be to Dismiss the Appeal because of Appellant's Failure to timely file and serve the Record on Appeal.

I look forward to hearing from you.

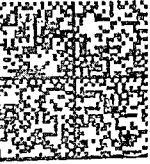

With kindest regards, I am

Sincerely,

Mark D. Neill
