Affidavit in support of Granting Injunction

I state and declare the following facts:

- ① That on, March 07 2016, I received an order to report to mailroom on, March 08 2016 to pick-up legal mail. When I got the mailroom on, March 08 2016, I was told that Ms. Baker had my legal mail, and that she was out. I went to the mailroom on, March 10 2016 was told that, Mrs. Baker, would be returning, Monday, March 14 2016, when to mailroom, was told that there was no legal mail and before I could get what happened, was told to get away from there now.
- ② I filed a grievance, it was not done, saying I failed to informally resolve the matter by speaking with one, associate worker.
- ③ This is the third time that my mail legal was tampered with, the key, other time documents should not have been were taken out of mail and the worker, would not give them to me.
- ④ No one will admit, that I have legal mail that is being to get from me, illegally. There are witnesses, that heard the mailroom person say, that, Mrs. Baker, had my legal mail.
- ⑤ There have been several times I have expected legal mail and did never come and if I write again, still I get no response.
- ⑥ There is no way for I to find out, to call, the courts and agents of state and Federal government, to find out if they sent any and such a response.

⑤ This is not about getting mail, but is a huge problem, one time I took a letter 12 days from the prison to the Supreme Court of South Carolina.

⑥ These are mail coming from government agencies, so why is my mail being kidnaped by prison authorities, without rhyme or reason. They have delayed mail from this Court, what will it do if they, decide that this Court may allow me to see, what they have done to my prison record, I may never receive that also, clearly unlawful and illegal conduct. The Court is in position to do nothing on stop for me and over you.

That the foregoing are the three facts as to what I am to know them to be under penalty of perjury pursuant to, 28, U.S.C. 5176
