

# The South Carolina Court of Appeals

James B. Weersing, Appellant,

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2016-000173

---

## ORDER

---

On March 29, 2016, this court issued an order denying Appellant's motion to proceed *in forma pauperis* and requiring Appellant to pay the filing fee for his appeal within fifteen days. Appellant has now filed a "Motion to Alter or Amend Judge per Rule 59(e)" in which Appellant challenges the denial of his request to proceed *in forma pauperis* and urges this court to allow his case to proceed or to issue a more specific order. We construe the motion as a request for this court to reconsider its denial of Appellant's motion to proceed *in forma pauperis* and, consequently, we decline to entertain the motion. See Rule 240(i), SCACR ("The court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal."). Appellant shall submit his filing fee within ten days or this appeal will be dismissed.<sup>1</sup>
