

Hello, How are you doing today? My name is Jonathan

RECEIVED

Johnson. I'm writing this letter in terms of an appeal, I was sentenced to thirteen years in prison by Honorable Judge Edgar Dickson. I served a past conviction for drugs, I feel I was forced into decision on the 29th day of April 2016, I asked the Honorable Edgar Dickson to re-leave my Attorney for better knowledgeable representation of the case due to false accusations in the Motion of Discovery, and was told by the Solicitor Ashley B. Cornwell if I received my Attorney a trial date would be set for May 23, 2016 which was in another twenty five days to be exact, which I really didn't understand why would I stand trial when I didn't ask for one. I then turned to ask my Attorney how, and why, and he stated this would be best for me to take the open plea ranging from 7 to 25 years, me not understanding, confused, and afraid that I wouldn't see my family or society again I continued with the plea. In all I was just asking to retain another Attorney to fully explain this case to me because I didn't understand why the case was first dismissed in the Preliminary Hearing but then brought back up 6 months later, why the false statements in the Motion of Discovery that stated a seen marking (tattoo) on the neck which I exposed to the court, and was not the same as the one mentioned in the Motion of Discovery, basically showing the court that this was the wrong person, but nothing was acknowledged when I spoke of and showed them. I currently have a wife of 4 years and 2 sons ages 2 and 6 and 13 years is too much time being away from them on an unjust case. I'm sincerely asking that the court grant me an appeal. Thank you for your time and have a

Blessed day

Sincerely, Jonathon Jamison
