To define Consideration of time warranted isn't the principle element here. Merely Access To Courts.

F.P.C. 9 (b) & SCRP 6(b) both entail as there isn't intentional delay, undue, or dilatory actions to delay. That enlargement should be granted.

Appellant expressed & sent attachments of various jurisdictions & courts he too have deadlines, which categorizing a precedent states. The courts priority would be Superior Courts due date take precedent over inferior courts. Where appellant provide channel of all due dates in U.S. Supreme Court, U.S. District Court, S.C.
