vs

The State

Respondent.

Case# 2012-212682

---

The petitioner respectfully asks the Court to allow another 30 days to respond to dismissal order claiming that he is barred as being successive and/or untimely under Rule 243 (c). The petitioner is not a lawyer and is pro-se in this matter and has been unable to access the law library for a sufficient amount of time to form a proper response. The petitioner was never appointed counsel for his PCR nor was ever heard in an evidentiary hearing. As such, the petitioner prays the Court to allow him additional time to respond.
