

To: Daniel E. Shearouse

Hope all is well. I was looking over
the appeals paper and thought
that I may add that Leell B moody
may be at fault as well because if
she done her job she would have know
that I did not have a preliminary hearing
as well and she could have
brought that up at the P-C-R hearing
but she did not and Roger poole may
be at fault as well because he should
have had filed for a Dismissal, due
to there were no evidence but
he waived my preliminary hearing
in stead, they all done me wrong
All 3 are ineffective assistance at some point
Thank you for your help I have
all the paper work if you need it

Thank you
