Re: State Of South Carolina v. Gerald J. Nagy  
Appellate Case #2015-002576

Dear Ms. Kitchings,

I am writing today to request a thirty day extension for me to file my initial brief. Although I do my best as a pro se Appellant, I am not always certain of the process and paperwork. April 30<sup>th</sup>, 2016, I received the transcript of the Circuit Court case but it appeared to be defective. The transcript is 22 pages long, but there are no page numbers. I wrote to the court reporter about my concerns and have received nothing in reply. At this point, I will proceed by manually numbering the pages in the transcript and reference same when preparing my brief. Please let me know if I am granted the extension.

Kindest Regards,

Gerald J. Nagy
