RE: Carol Goodson-Eaddy v. Travien L. Capers et.al.  
Civil Action: 2014-CP-40-6224  
Appellate Case No.: 2016-000989  
Our File No.: 2014-273

Dear Mrs. Kitchings:

Due to other court imposed deadlines and other work obligations, Appellant Carol Goodson-Eaddy respectfully requests a thirty (30) day extension to file the Appellant's Designation of Matter and Initial Brief. This is the first request for an extension of time by Appellants. By my calculation, the new deadline Appellant's Designation of Matter and Initial Brief will be August 1, 2016 if the extension is granted. I have consulted with opposing counsel on this matter via email and he has no objection to this Motion.

Enclosed is out check in the amount of \$25.00 as the required filing fee. Thank you for your attention to this matter.

Regards,  
  
Page M. Kalish

Peter,

I hope that you are well. I have a deadline to file my initial brief and designation of matter of June 30, 2016, but am going to move for an extension because I have trials this week and next that I must prepare for and try. I am asking if you will consent to a thirty day extension for me to file my initial brief and designation of matter. Please let me know.
