

# The South Carolina Court of Appeals

The State, Respondent,

v.

Raymond Lewis Young, Appellant.

Appellate Case No. 2013-000149

---

## ORDER

---

Appellant filed a motion to consolidate this appeal with that of *State v. Esaiveus Booker*, Case No. 2013-000207. Appellant later clarified he wished to consolidate the records on appeal as he and Booker were co-defendants and both appeals present similar issues on similar facts. The State consented to the motion and requested any pending time frames for submission of initial briefs, the consolidated record on appeal, and final briefs in both cases be controlled by the filing deadlines in Young's appeal. Booker consented via letter to Appellant's motion and the State's request as to the filing deadlines. Accordingly, we grant Appellant's request to consolidate the record on appeal and the State's request to have the filing deadlines for both appeals to be controlled by Young's appeal. Service of the record shall take place within thirty (30) days after service of the last initial brief. *See* Rule 210(a), SCACR.
